

Overview: Copyright and Consultant-User License Agreement

Product Description & Ownership

Stretch It Out!® (SIO!) is a comprehensive program designed to assist employers with developing, implementing, and monitoring an effective workplace stretching program. Ege WorkSmart Solutions, PC is the exclusive owner of the SIO! Program and all copyrights, trademarks, service marks, trade secrets and other rights therein. The SIO! Program includes all copies in all media and all forms and are licensed (not sold) to the Consultant User. The SIO! Program consists of proprietary written manuals, training DVD resource, illustrations and formats for use in developing, implementing, and monitoring a physical stretching program designed as an injury prevention resource for employers.

Basic Terms of Copyright & Consultant User License Agreement

SIO! is marketed and sold to Consultant Users as a licensed program. Ege WorkSmart Solutions, PC grants to the Consultant User a perpetual, nonexclusive, nontransferable license to use the SIO! program in accordance with the Consultant License User Agreement. The Consultant User license essentially allows Consultant User to market and implement the SIO! Program to an unlimited number of third-party employer client locations within the Consultant User's market region. The employer clients of the Consultant User can only purchase the SIO! Program and related materials through the Consultant User or the Ege WorkSmart Solutions Website (www.egesolutions.com). Once payment and a signed Employer User License Agreement is obtained, the SIO! materials will be shipped to the contact person and location identified by the Consultant User. These steps are necessary to maintain the integrity of the SIO! program and ensure that both the Consultant User and Employer User are aware of and agree to the copyright status and established license agreement.
